Asunto: Abile Events recommendation

As a recommendation, I worked at The Colomer Group and Revlon for over 15 years and we specifically had Abile doing our events for the last 7-8 years I was there. Abile is a great company, with excellent professionals, but more importantly with superior people.

We did events with them in many countries. From NYC in the USA, to all our subsidiaries in Europe. And from small events (10-15 people) to very large ones (like Style Masters, with over 3.500 people).

They always exceeded expectations and their dedication was always outstanding. I would recommend Abile to any company that wants to organize any kind of events. You can contact me this email address or on my cellphone: +13033965737

Para: Jordi@abile-events.com

Buenos días,

Hemos utilizado los servicios de Abile Events en diferentes y muy importantes eventos de nuestro grupo. Tanto en eventos multitudinarios con 1.000 personas como eventos de 50 ó 100 personas con el Board y el Comité estratégico en Italia, España pero también en Usa.

Los resultados de estos eventos siempre han sido impecables en todos los aspectos. Cuando una compañía organiza un evento tiene siempre un objetivo: sorprender sus invitados e impactarlos en cada momento y finalmente que todos se sientan cómodos. Gracias a Abile Events, a Monica Bravo, Jordi Agusti y su Team siempre lo hemos conseguido en más de 10 anos que utilizamos sus servicios

Abile Events cuida de manera perfecta cada Evento con sus invitados, cada detalle, tienen una enorme creatividad y sorprenden siempre. En los precios también porque son honestos.

Al final de cada evento en toda nuestra historia nuestros invitados dicen siempre: “¿cuándo repetimos?”. Despiertan entusiasmo y pasión, la misma que ponen ellos en sus eventos.

No hago un favor en darles referencias, sino que hago un favor a quien quiere probarlos. No os iréis nunca más con otra agencia. Confíad en mí.
